ALL Mobirise Themes & Extensions Kit (Yearly)

Activation key

***** To add ALL themes/extensions to Mobirise: Download and install the latest Mobirise app <https://mobirise.com/history.html> and run it. Click the top-left "hamburger" menu. Select the "Extensions". At the top-left corner of the "Extension" window click "Redeem" and paste your key: 65MZnbkApO4ilz66CEjS6Erry4c7e Click "Redeem" button - all themes and extensions will be available. Click "+" in the bottom-right corner of every extension to download it or click "Add All" to download all. All new themes/extensions and updates will be available in the "Extension" window as they're released, during one year.
